See the website for printed materials and graphics to download or you can copy+paste them from the doc file.

- Singing Valentines can be a **major source of income** for your organization.
 - Your chapter gets about 40% of the net proceeds for the order.
 - The chapter of the quartet that delivers the Singing Valentine gets the other 60%.
 - Orders which do not designate a chapter to receive credit for the sale are put into a pool and the proceeds are shared among the chapters in proportion to the quartet hours contributed by each chapter.
- **Order Form:** encourage buyers to enter the order online and pay with a credit card. If you fill in the paper form, give it with the payment to one of our team or your Chapter Singing Valentine Rep to enter online. Please note the name or order number and the seller on the check or payment envelope so we can credit your chapter/quartet/organization with the order.
- **Flyers:** a PDF is available from the website. Print your own and post them anywhere you can – grocery stores, coffee shops, restaurants, social clubs. Email the PDF to your friends and family and everyone in your email address book. You can even edit the .doc and substitute your own contact info!
- **Business Cards:** already printed available from one of the team or you can print the latest from the website. Carry a supply with you and hand them out to interested persons. Ask if you can leave a small stack at the cash register of your favorite stores and restaurants. You can hand out your own as well.
- **Press Release:** send it to anyone or any media outlet that can announce or promote Singing Valentines.
